PRODUCT APPRECIATION LETTER

This is to certify that we are using various types of 'Eetamax' brand Energy efficient fittings in our Pune, Chennai, Goa, Bangalore , Dharwad, plants since last 4 - 5 years.

We have installed Eetamax Highbays, streetlights, floodlights, fixtures which are working comfortably.

The light quality is good & the lux level is also maintained.

In 4 – 5 years of usage, we have not come across any maintenance related issues in these fixtures.

We are very satisfied with the performance of the Eetamax products & support by the Eetamax Team.
