PERFORMANCE CERTIFICATE

We are using 'Eetamax' brand LED Energy Efficient Lighting fittings in High bay &, Flood Light applications since last two years.

'Smart Energy Solutions, Pune have suggested "Eetamax" brand products after detail Survey & study of our application.

We have replaced our existing conventional fixtures by their Energy Efficient LED Lighting fittings.

We are getting benefits of energy saving, improvement in visibility & light quality.

We have not come across any maintenance problem since last two years. The products are really very reliable.
